R.A.D. WOMEN

The National Standard in Self Defense Education™ since 1989

The Rape Aggression Defense (R.A.D.) System is a program of realistic self-defense tactics and techniques for women only. It is a comprehensive course that begins with awareness, prevention, risk reduction and avoidance, while progressing on to the basics of hands-on defense training and ending with a dynamic simulation giving the student an opportunity to practice their skills. This course is taught by nationally certified R.A.D. Instructors and provides each student with a workbook/reference manual. This manual outlines the entire Physical Defense Program for reference and continuous personal growth, and is the key to our *free lifetime return and practice policy* for R.A.D. graduates.
